Re: Pending application #09/788,577

Sirs/ Madam:

Attached is a letter of experience of Victor E. DeVeux relating to the pending application (# above)
for *Proposed Procedures for Sale / Foreclosure of Existing Time Share Intervals (The Text)*.

For your knowledge,

Victor E. DeVeux

May 23, 2001

United States Department of Commerce
Assistant Commissioner of Patents
Washington, DC
Re: Pending application #09/788,577

On February 20, 2001, the US Patent Office received my application for patent, (copy of receipt attached). Also enclosed was a Declaration relating to this application (form attached). A check in the amount of \$ 355.00, made payable to the Assistant Commissioner, was also enclosed, (copy attached).

Attached for your review are the "text" and required documents which were to be considered for the patent.. The documents were copyrighted (originally) on 5/16/96 and amended on 10/7/96.

My experience in the Time Share Industry is varied and knowledgeable and the qualifications thorough. I was initially employed in 1983 by the Arizona Department of Real Estate as a SubDivision Representative and regulated the Time Share Industry for the Department and was instrumental in establishing some regulations for the industry. After I retired in 1994 I was employed as a Consultant for a Time Share Developer . I am currently a licensed Real Estate Broker in Arizona and a licensed Property Manager in Florida. This has now covered both sides of this industry and furthered my knowledge of it. In addition, this "text" process is not only *usefull but profitable and will increase sales in the time share industry approximately 30% and eliminate foreclosure.*

A Time Share Period in a Project is the purchase of a week. This week, when purchased, can be used or exchanged for a week in the vacation system purchased or another vacation system throughout the world. It generally costs a person (family) from \$ 14,000 to 25,000 a week. However, the resale of a time share usually sells for about one half (1/2) due to the marketing and sales commissions. The "text" and procedures outlined in the Maintenance Fee Recovery Program would assist the purchaser in the sale of the interval (week).
